THE BACK PAGE

Thank you, everyone, for your prayers for Megan and our family as we traveled and as Megan underwent her surgery. Everything went about as well as we could have hoped; the surgeon was very optimistic about the procedure in our post-op conversations.

We are not intending to “publish” anything about Megan’s procedure, but have spoken with many of you in personal conversations about our situation and about her surgery. We are happy to continue to do so! We have tried to be open and honest about our joys and challenges and we so appreciate your support for our growing family. Perhaps our experiences can be a blessing to others!

I also want to personally (and publicly!) thank Vicar Woelmer and Sem. Woodhouse for their service to the church during my absence, and their continued service upon my return. It is a great comfort to know the people of Faith are left in competent and caring hands when I have to be away.

Thank you again for your continued prayers and support. The outpouring of love from the congregation has been humbling, to say the least. Megan and the boys and I are so blessed to be part of this family of Faith. God bless and keep you all!

In Christ,

Pastor & Megan

Aaron, Josiah, & Jonathan
